

In 2019, we either provided directly or arranged for and are responsible for monitoring:

- 81,000 hours of therapies to improve or maintain progress (Physical, Occupational, Behavioral, Recreational)
- 1.2 million hours of Attendant/Habilitation services
- 35,500 hours of respite care to give caregivers a break
- 18,000 hours of nursing care to ensure members stay healthy
- 47,400 Days of Foster Care/Host Home services
- 58,700 days of independent living and employment services to foster skill development and independence

Enriching the lives of people with disabilities
...one person at a time.
